REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Pinecrest Elementary School is to provide quality and engaging educational opportunities where all students learn and grow in a positive, respectful environment. The combined efforts of our students, teachers, staff, parents, and community members make our school a great place to grow.

We are proud of the many opportunities students have at our school. Students have the opportunity to participate in many service learning projects such as Recycling, United Way, Relay for Life, and canned food drive for The Salvation Army. Students also participate in a variety of activities such as chorus, drama club, Pinecrest Day, carnival, Junior Master Gardeners, Art in the Afternoon, Career Day, Veteran's Day, Lander Performing Arts Series, family reading nights, grade level parent involvement activities, GATAS Mini-Mall, Student Council, and a fall reading celebration.

Students have the opportunity to excel academically and be authentically engaged through opportunities such as after school programs, Brain Boosters, GATAS, Balanced Literacy, SMART Board activities, math and literacy workstations, RTI, Science Fair, and Accelerated Reader. Academic achievement is recognized through various awards programs each nine weeks.

Character Education is emphasized through monthly character lessons. Character Kids and Terrific Kids are chosen monthly from each class and presented with awards and incentives. Our focus on respect this year with our Positive Behavior Interventions and Supports (PBIS) program added additional opportunities for students to earn rewards and praise for showing their Pinecrest PRIDE. Pinecrest was recognized this year by The State Department of Education as a Ribbon winner for our excellent efforts with PBIS first year implementation.

Our teachers and staff are constantly looking for ways to improve our instructional program to better meet the needs of our students. This year we participated in a book study, set grade level goals, developed a professional learning community among our faculty and staff, and increased our percentage of students who met MAP target goals. We also had an academic coach to provide support and in-service to enhance instruction.

We are excited to have a PTO and School Improvement Council that support our activities and programs at Pinecrest.
